

State of Wisconsin
Governor Scott Walker

Department of Agriculture, Trade and Consumer Protection

Ben Brancel, Secretary

DATE: February 5, 2013

TO: Board of Agriculture, Trade and Consumer Protection

FROM: Ben Brancel, Secretary *BB*
John Petty, Administrator, Division of Agricultural Resource Management *JP*

SUBJECT: Bureau of Agrichemical Management Information Technology Report

PRESENTED BY: Duane Klein, Bureau Liaison

RECOMMENDATION: This is for informational purposes only. No Board action is required.

SUMMARY / BACKGROUND:

This presentation will introduce the Board to the Department's Enterprise Information Technology (IT) project and provide a summary specifically of the Bureau of Agrichemical Management's IT project. These two projects are being implemented in order to modernize and streamline both the Department's data collection and internal processes while improving the service provided to the customer base. The summary will include both the steps that have already been taken by the department and bureau toward completion, and a report on the current project status and plans for future phases of the project.
